

PLA D'ENERGIA PARTICIPATIU

CITIZENS, RESEARCHERS AND LOCAL GOVERNMENTS

WHAT WE WANT OUR DREAMS HOW WE DO IT

- A transversal and global knowledge of **ENERGY**
- To understand, raise awareness, grow love for the **EARTH**
- To strengthen our mutual **trust**
- A creative **transformation** of our neighbourhood
- An **inclusive** and diverse involvement

- Evolution of the social and urban environment at a **human scale**
- A healthier, more supportive and responsible borough

- By teaching, learning and **sharing** knowledge
- With **bottom-up** decision making
- With determination and excitement
- Empowering people to **make changes happen** through our actions
